A NEW PERSPECTIVE

December, 2018

Greetings dear friends,

It's the season to rejoice and experience God's mercy, grace and lovingkindness in a much deeper way!

A King from heaven chose to lay down His glory to become like us, as compacted power into a willing vessel chosen before the foundation of the world. The Word became flesh and demonstrated a love never before experienced on the earth! Born to die, He was. Born to die daily to show us as an example and empower us to become like Him. Oh the depth of the mercy, lovingkindness and compassion which we barely understand! He was born to become sin on our behalf.

Lord, help us to look beyond the glitter, strings and sweet aromas to an all consuming fire which will burn away our polluted flesh. Not once and for all, but continually, for His glory!

For months, I have prayed the Ephesians 1:17 prayer **"Lord please give me the spirit of wisdom and revelation, in the knowledge of Him..."** Now is my chance.

Having just returned from a very victorious, marvelous, fruitful speaking engagements in two cities in Myanmar, namely Myitkyina and Taunggyi, talking about the Kingdom to hundreds of hungry people, on November 23, we knew something was drastically wrong with my dear husband's intestine!

We went to Urgent Care Kaiser. Surgery was performed the next day at our local hospital. Then four days later the staples broke and a second surgery was necessary. The surgeries took a toll on Jack's system and he is slowly recovering! Praise God!

Our three children, who stood with me, many prayers and God's mercy was so evident.

Life takes on a much deeper perspective as He walks me through each day. I read on my daily calendar, Oswald Chambers, *My Utmost for His Highest* **"If we keep true to God, God will take us through an ordeal which brings us into a better understanding of Himself!"**

Jack adds, "We are setting aside our plans for the next few months, resting and listening to the Lord."

We still appreciate your prayers. We rejoice in this season because a King walks among us! We love you!

Jack & Grace

**Merry
Christmas**
