Merry  
Christmas

December 2020

Dear Friends,

## REJOICE !

**W**e are celebrating the birth of our Lord Jesus Christ in this Christmas season. He came into this world as a helpless baby, but He is the mighty creator of the universe who gave up His power and privilege to live as a sinless man among us in order to sacrifice Himself to give us eternal life.

During this time when the devil is warring against Jesus' people by the two-fold blows of Covid-19 and the fraudulent presidential election, it is good to remind ourselves that this Jesus is not a baby anymore but is a mighty warrior against those who violate His standards of Truth, Justice, and Righteousness. In the near future you will see His judgment come to pass, and His people will again rejoice in His mighty works as America continues to regain its destiny.

Recently I have been reading Ian Clayton's book entitled "**Realms of the Kingdom.**" The author is a businessman who teaches God's people how to enter the spirit world and travel in it even to visiting the abode of heaven. The many scripture references he uses support his ideas, and it is time that we learn how to visit the nation of our citizenship, and see the country of which we are ambassadors to planet Earth. We need such encouraging in these troubled times. It is time to focus on King Jesus and to seek Him and His kingdom and to enjoy the legitimate benefits of the Kingdom of God as the spiritual world dominates the physical world.

## SEYCHELLES GRADUATION

On November 28 the director of our KTC in the Seychelle Islands graduated 16 students including himself, from the 6 month training program. All the students were excited to take this course which brought changes to their lives.

## GRACE'S NOTES

It is with joy and excitement that I greet you this glorious season. I fully and deeply believe that the Lord is going to manifest His loving care to this nation soon, and to all those who have cried out and have waged war for righteousness and justice to be manifested. Our God loves America although America has forsaken its covenant with Him for so many years. He has looked for deep repentance and many in the Church body have seen their guilt and have repented.

But now we look to Him alone: the Life Giver, Redeemer, Sin Bearer who gave up His glory in heaven when He became a man, but without sin. Our sins were laid on Him. New life was imparted to us as well as the promise of spending eternity with Him. We have His robe of righteousness and His ability as priests and kings as He said in **Rev 5:10**  
**...And hast made us unto our God kings and priests, and we shall reign on the earth.** Priests intercede, kings decree.

Each Christmas season I love to listen to Handel's Messiah. These words from Isaiah greatly encouraged me. For example, **Isa 40:3-5...The voice of him that crieth in the wilderness, Prepare ye the way of the Lord, make straight in the desert a highway for our God. Every valley shall be exalted and every mountain and hill shall be made low; and the crooked shall be made straight, and the rough places plain. And the glory of the Lord shall be revealed, and all flesh shall see it together; for the mouth of the Lord hath spoken it.**

We love and appreciate each one of you for your prayers and financial help. God bless you richly!

Love,

*Jack & Grace*
