RAM UPDATE FOR 2021

April 2021

Dear Friends,

This is the first newsletter that we have done in 4 months. Because we are not travelling at the present time, and are not focusing on any particular country, there is not much news to report. But we do have to bring you up to date on what is happening in this ministry.

INDIA

Since the beginning of this year we have continued to teach North India by Zoom each Thursday morning for 2 hours. The teaching is translated into Hindi and is available to the pastors of North India. The topics have covered most of the spectrum from basic Christianity to more advanced studies. There seems to be a hunger for spiritual warfare to change the spiritual climate, and we are happy to provide such teaching that we have learned to be correct.

BURMA (MYANMAR)

In January and February we were able to teach a KTC in the eastern part of the country for 2 hours every Thursday evening for 7 weeks. Pastor Tom Schumacher's brother-in-law was the translator into Burmese. We used Facebook Messenger as the means of teaching.

GRACE ADDS:

Periodically, Jack and I teach on Facebook Tuesday evenings. I, Grace feel burdened that truth has fallen down in the streets. The Lord encourages me that He will go forth like a warrior, arousing His zeal like a man of war so that the increase of His government shall be accomplished. I do rejoice that His zeal will be seen. The Lord gave me *Isaiah 56:1* "Preserve justice, do righteousness, for My salvation is about to come and My righteousness to be revealed." "A harvest of souls is coming in. The Lord has not forgotten California.

TRANSLATIONS

During these 4 months we have received the completed work on 5 different manuals:

Kannada (SW India)	PRAYER

Several more are in work in Turkish, Urdu (Pakistan), and Bengali (NE India & Bangladesh). We are blessed to have a significant part in this process.
