March 2024 Newsletter

Greetings dear friends in the mighty Name of Jesus!

It has been a long time since you have heard from me, but thank you, I trust you have been concerned and prayed. The Lord is and has been so very good to me. I am challenged by so many new situations without Jack's expertise, but the Lord has never failed. I need to read and EAT His word every day, to stay healthy and make so many decisions. He is my Wisdom and everything I need. My daughter Amy and cell members from church have been very helpful.

RAM has continued to send money to **Valerian Albuquerque**. He is very faithful in gathering more than 150 new pastors and ordaining them for ministry! He travelled to Delhi and other locations and wrote that 40 more pastors want to be ordained. He has used the Gill Study manuals for training them for a few days at a time. He has also organized a **Wind and Fire conference**. Here is a picture of one of his meetings.

By God's grace and my helpful church friends, I have been able to finish publishing the Wordless Gospel book. We included many Scriptures which explain what is shown on each page. I wrote an introduction to explain the difference between the Kingdom of Darkness and the Kingdom of Light and the battle between these. Yet, we can have victory through joining with God the Father, Jesus and the Holy Spirit.

Pastor Tom Koim, whom Jack met years ago in Papua New Guinea, has been thankful that I sent him the Wordless Gospel book with the one-line subtitles. He oversees eight churches and will give these books to volunteers who will travel to the remote tribes! He also received 30 Apostolic Prayer books written by Pastor Joe Sweet and another small prayer book. It is possible for him to download and print more copies from the church's website: ShekinahWorship.com. Papua New Guinea has not been forgotten!

Your gifts and prayers have made it possible for this ministry to send finances to a faithful friend **Pastor Michael Howard** in Uganda, Africa. He has established a university. He oversees many pastors and also helps the poor and elderly.

Mozambique has been on our heart recently. **Heidi Baker** and her husband Roland have lived through much turmoil from evil groups. I plan to send more financial gifts again as she will speak at our church soon.

Pastor Bruce Allen formerly from Fiji has inspired us recently. In 2016, Jack and I were in Fiji when a category 5 cyclone barely missed the island! All planes were grounded for three days and we had no electricity or water in the hotel. Jack went outside and blew the shofar and shortly later the sky cleared and the planes began to fly! We serve an awesome God!

Again, thanks for your prayers. I appreciate you very much for your love and support.

Love in Christ,

Grace Tuls
